Instructions:

In version 5.1.6+, to add an on-screen logo or image to your PAX S300, follow these simple steps:

1. Open the Setup in ElServer
2. Click Devices
3. Under the MT30, choose "Local Image" in the Actions drop down menu
4. Click on Start
5. Browse to the image that you would like displayed on your S300 screen
6. Open the image

This will start the install of the image file. Note, the PAX device must be connected and running.

Image specifications:
